**Item 3.02. Unregistered Sales of Equity Securities**

On September 29, 2018, ANGI Homeservices Inc. (the “Company”) entered into an agreement and plan of merger (the “Merger Agreement,” and the merger contemplated thereunder, the “Merger”) to acquire Handy Technologies, Inc. (“Handy”), which Merger Agreement was announced in a press release issued by the Company on October 11, 2018. On October 19, 2018, pursuant to the terms of the Merger Agreement and in connection with the consummation of the Merger, the Company issued up to an aggregate of 8,588,672 shares of its Class A common stock to the equity holders of Handy as merger consideration. Approximately 1.1 million of these shares of Class A common stock will be held in escrow for purposes of purchase price adjustment provisions in the Merger Agreement and to support indemnification obligations of the selling shareholders under the Merger Agreement; the final number of shares of the Company’s Class A common stock to be issued to equity holders of Handy in connection with the Merger is subject to reduction accordingly. The maximum number of Class A shares that may be issued in connection with the Merger exceeds 1% of the Company’s outstanding Class A common stock.

The issuance of shares of the Company’s Class A common stock to equity holders of Handy in accordance with the terms and subject to the conditions set forth in the Merger Agreement was made in reliance on the private offering exemption of Section 4(a)(2) of the Securities Act of 1933, as amended.
