Owner of Werkspot buys a competitor in USA

AMSTERDAM (AFN) — The American home website HomeAdvisor comes under one roof with its biggest competitor Angie's List. The acquisition amounts to over 500 million dollars (458 million euros). HomeAdvisor, which owns Werkspot in the Netherlands, announced the news on Tuesday.

HomeAdvisor is part of the IAC technology group, which also owns Vimeo, The Daily Beast and dating app Tinder. IAC plans to bring Angie's List together with HomeAdvisor in a newly listed company. IAC will hold a shareholding of 87 to 90 percent of the shares in the newly listed company.

Like Werkspot, HomeAdvisor and Angie's List are online marketplaces that connect professional clients with private clients. HomeAdvisor is the market leader in the United States and has subsidiaries in Germany, France, Italy and Canada. Last year, HomeAdvisor's sales totaled almost half a billion dollars.

Eigenaar Werkspot koopt concurrent in VS

AMSTERDAM (AFN) - De Amerikaanse kluswebsite HomeAdvisor komt onder één dak met zijn grootste concurrent Angie's List. Met de overname is een bedrag van ruim 500 miljoen dollar (458 miljoen euro) gemoeid. Dat maakte het bedrijf, in Nederland eigenaar van Werkspot, dinsdag bekend..

HomeAdvisor maakt deel uit van technologieconcern IAC, dat ook eigenaar is van onder meer videodienst Vimeo, nieuwssite The Daily Beast en datingapp Tinder. IAC wil Angie's List na de overname met HomeAdvisor samenbrengen in een nieuw, beursgenoteerd bedrijf. Zelf zal het daarin een aandelenbelang houden van 87 tot 90 procent.

Net als Werkspot zijn HomeAdvisor en Angie's List onlinemarktplaatsen die professionele klussers in contact brengen met particuliere opdrachtgevers. HomeAdvisor is op dat gebied marktleider in de Verenigde Staten en heeft daarnaast dochterondernemingen in Duitsland, Frankrijk, Italië en Canada. Het was vorig jaar goed voor een omzet van bijna een half miljard dollar.

Owner of Werkspot takes Stock of Angie's List

Amsterdam, May 2, 2017 — IAC (NASDAQ: IAC) and Angie's List, Inc. (NASDAQ: ANGI) concluded a final agreement to combine IAC's HomeAdvisor and Angie's List into the listed company ANGI Homeservices Inc. Angie's List is the second player in the US online retail market. IAC is expected to own over 85 percent of the shares of ANGI Homeservices Inc. after the transaction is completed. HomeAdvisor International, with the Netherlands-based Werkspot.nl, will be part of the new company.

The transaction combines the power of the well-known Angie's List, which has a large audience in the US, with HomeAdvisor, IAC's market leader. HomeAdvisor has the largest network of high-quality professionals and a consumer product that has recorded sales growth of 35 percent for seven consecutive quarters. ANGI Homeservices has the goal of growing 20 to 25 percent per year over the next five years, with an EBITDA margin of up to 35 percent.

Ronald Egas, CEO of Werkspot and Instapro, said: "In Europe, we are just beginning; the online retail market is now less than 10 percent of the total market. In the US, the market is already mature, which gives us a positive perspective that we can further build the market in Europe. And that is confirmed with Werkspot in the Netherlands, with 30 percent growth in job assignments in the first quarter. Consumers and professionals are increasingly finding each other online."

"This is now the 10th listed company that results from what was one business in 1995, with \$ 48 million revenue and a market capitalization of \$ 201 million - the start of IAC. Today, this is over 43 billion dollars, accounting for an annual return of 13.3 percent. Although it's hard to predict the future, I think this will just keep going," said Barry Diller, president of IAC and Expedia, Inc.

Eigenaar Werkspot neemt beursgenoteerd Angie's List Over

Amsterdam, 2 mei 2017 - IAC (NASDAQ: IAC) en Angie's List, Inc. (NASDAQ: ANGI) hebben een definitieve overeenkomst gesloten om IAC's HomeAdvisor en Angie's List te combineren in het beursgenoteerde bedrijf ANGI Homeservices Inc. Angie's List is de tweede speler in de Amerikaanse markt van online klusaanbestedingen. IAC zal naar verwachting na afloop van de transactie meer dan 85 procent van de aandelen van ANGI Homeservices Inc. bezitten. HomeAdvisor International, met het in Nederland opererende Werkspot.nl, is nu ook onderdeel van een beursgenoteerde onderneming

De transactie combineert de kracht van het bekende merk Angie's List, dat een groot publiek heeft in de VS, met HomeAdvisor, de marktleider van IAC. HomeAdvisor heeft het grootste netwerk van hoge kwaliteit vakmannen en een consumentenproduct dat zeven opeenvolgende kwartalen een omzetgroei van 35 procent heeft geboekt. ANGI Homeservices heeft de doelstelling om de komende vijf jaar op rij 20 tot 25 procent per jaar te groeien met een

EBITDA marge die ongeveer tot 35 procent zal oplopen.

Ronald Egas, CEO van Werkspot en Instapro, licht toe: “In Europa staan we nog maar aan het begin, de online klusmarkt is nu minder dan 10 procent van de totale markt. In de VS is de markt al meer volwassen, dit geeft ons een positief perspectief dat we de markt in Europa nog verder uit kunnen bouwen. En dat wordt in Nederland met Werkspot bevestigd met een groei van 30 procent in klusopdrachten in het eerste kwartaal. Consumenten en vakmannen vinden elkaar steeds makkelijker online.”

“Dit is nu het 10e beursgenoteerde bedrijf dat voortvloeit uit wat in 1995 één bedrijf was, met 48 miljoen dollar omzet en een marktkapitalisatie van 201 miljoen dollar — het begin van IAC. Vandaag de dag is dit ruim 43 miljard dollar, goed voor een jaarlijks rendement van 13,3 procent. Hoewel het moeilijk is om de toekomst te voorspellen, denk ik dat dit gewoon door zal blijven gaan,” zei Barry Diller, voorzitter van IAC en Expedia, Inc.
